

YOUR RHYTHM POC Accessory Guide

Your Rhythm Healthcare Portable Oxygen Concentrator helps you stay active and enjoy the things you love. Whether you're meeting friends for lunch or flying across the country, your Rhythm P2, P2-E6, and P2-E7 POC is ready to go wherever life takes you.

Battery Options

Extra batteries and external battery chargers allow for you to confidently take longer trips away from home.

Chargers

An extra AC or DC charger allows you to move easily around your home or between cars, RVs, or campers.

Carrying Options

Our premium durable backpack allows for easy carrying of your P2 Device. You may also purchase a replacement carry bag for your device. Our upgraded carry bags now have easy battery access.

The P2, P2-E6 and P2-E7 Portable Oxygen Concentrators share the same replacement parts as shown below.
Please contact your supplier to purchase.
