

CRUTCH HOLDER - 9ACO1

Included:
1x screw
1x nut
1x holder part 1 for bottom
1x holder part 2 for top

SET UP

Figure 1

1. Clip part 1 (clip with holes) for canes around frame at the desired position on the bottom. May need to use pressure until it clicks into place.

Figure 2

2. Once in place, place the screw in the hole until it is all the way through both holes. See figure 1.

3. Place bolt on the under side and tighten into place on screw. See figure 2.

4. Hold both screw and nut and turn screw knob to the right until it is tightened fully.

Figure 3

5. Take part 2 and clip it into place on the frame going up to handle bars. May need to use pressure until it clicks into place. Choose desired spot which will hold part 2. See figure 3.

One Year Limited warranty against manufacturing defects.

This warranty does not cover product failure due to misuse, negligence, improper storage or handling, improper operation or unauthorized modifications.

For Warranty Service, it is recommended but not required that the product be returned to the Rhythm Healthcare dealer through whom it was originally purchased. However, all Rhythm Healthcare dealers are qualified to assist you in obtaining warranty service. If the product is to be returned to Rhythm Healthcare, prior authorization will be required.

In the event of a defect covered by this warranty, Rhythm Healthcare will determine if the product will be repaired or replaced.
